EDUCATION

Peking University

Sep. 2023 - Present

M.Sc in Data Science, Academy for Advanced Interdisciplinary Studies

Advisor: Prof. Song Xi Chen

East China Normal University

Sep. 2018 - Jul. 2023

B.Sc in Statistics, School of Statistics

RESEARCH INTERESTS

Diffusion Model, Kalman Filter, High-dimensional Statistics, Deep Learning

RESEARCH EXPERIENCE

Diffusion Model Statistical Theory

Sep. 2023 - Present

Optimal Selection for Kalman Filter

May. 2024 - Present

WORKING PAPER

1. **Qian, L.**, Su, W., Huang, Y., Chen, S. X.(2024). Likelihood Matching for Diffusion Models. (Submitted)
2. **Qian, L.**, Qiu, Y. Chen, S. X.(2024). High-dimensional Block Ensemble Kalman Filter with Optimal Selection. (Manuscript)

PUBLICATIONS

1. Sun, M., **Qian, L.**, Mukherjee, A., & Xiang, D.(2023). An EWMA chart for high dimensional process with multi-class out-of-control information via random forest learning. Quality Technology & Quantitative Management, 1-27.

SKILLS

Programming: Python, R, C++, SQL, $\text{\LaTeX}$

Languages: Mandarin(native), English(CET-6)

AWARDS AND SCHOLARSHIPS
